

# Desire, Time and Effort (Song 1)

There are times when there is no place left to go  
At least it seems to be that way  
Then I get myself up to do it over  
What I'd give to have it easier but why try?

Because...  
Anything worth having  
Is worth my time and my best try

Sometimes I wish I knew where it is I'd like to go  
It'd make it easier to see  
That I have got something to give, I realize  
There's nothing to give to make it easier so why try?

Because...  
Anything worth having  
Is worth my time and my best try  
Anything worth having  
Is worth my time and my best try

When opportunity knocks I will open the door  
And feel the most freedom I've ever felt before  
And all because I know that...

Anything worth having  
Is worth my time and my best try  
Anything worth having  
Is worth my time and my best try
