The Wall: Over The Wall Processing Questions

- The first line of the song says, "I'll tell you why I'm trying." Briefly explain why you are trying.
- The song repeats the phrase, "Even if I stumble and fall, I can see over the wall." What step or steps do you seem to stumble on the most? What strategies are you using to continue seeing over the wall?
- What is your favorite line from the song? Why?
- As you listen to the song, write down each analogy this song sings about. Why does understanding each analogy help you to see over the wall?
