

Art Project

Draw a picture or create a collage that represents a person that motivates you. It doesn't have to be someone you know, it could just be someone you know about.

(A collage is a collection of pictures you cut out of magazines and glue to the page.)

A large, empty rectangular area intended for the student's artwork. The rectangle has a thin black border. Along the right and bottom edges, there are small black dots, suggesting where the page might be bound or where to punch holes.
